From the Secretary

Brothers,
This coming year is shaping up to be an active
one. On the Degree front we have one of the
largest degree classes moving through the
Lodge that we have seen for a long time. With
the initiation at our first meeting it will have
eight members. This Spring they will be passed
as Fellow Craft and possibly Raised by the
Summer Break. At the same time we may be
receiving additional petitions. A very busy
time for Degree work. It is also time for some
of our "old" members to get active again so

these new members can see what Masonry is
all about.

This Spring would be a good time for anyone
who has considered joining the Officer Line or
just participating in the Degree work to come
out and give things a try. Contact either
myself, the Worshipful Master or any of the
other Officers and get involved. You might be
surprised how easy it can be and how good it
can feel to be a part of the action. You are
never too old or too inexperienced to make a
contribution.

There are also some murmurs on the social
front. Past Master Harris is looking into some
possible events for the membership other than
just Degree work. If you have any suggestions
or interest in helping give him a call. I am sure
he would appreciate the help. Gary's number is
410-882-0618.

Petitions are available at every meeting or by
calling me. If you know someone who is
interested in becoming a Mason, take action
and get them a petition. You may just make an
impact in their life. In submitting a petition,
please remember to have them fill it out
completely and that the recommenders must be
members of the Lodge petitioned. If you are
concerned about the second line signer call me
and we will work things out.

Fraternally,

Thomas G. Heimiller, PM
